**Earlex Wallpaper Steamers** – The fastest and easiest way to remove wall coverings first time, every time. Earlex Steamers require no chemicals just tap water to create a powerful steam that removes all types of wall coverings including multi-layered, painted and even some textured coatings.

- **Faster than gels or spray on chemicals.**
- **Easy to set up – just fill with water and plug in.**
- **Easy to use – place on the wall/ceiling and start scraping.**
- **No maintenance required.**
- **Expand the use by adding steam cleaning tools.**
- **cUL approved.**
